<u>COUNT I</u> (INFRINGEMENT OF UNITED STATES PATENT NO. 8,788,090)

9. Plaintiff incorporates paragraphs 1 through 8 herein by reference.

10. This cause of action arises under the patent laws of the United States and, in particular, under 35 U.S.C. §§ 271, *et seq*.

11. Plaintiff is the owner by assignment of the '090 patent with sole rights to enforce the '090 patent and sue infringers.

12. A copy of the '090 Patent, titled "System and Method for Creating a Personalized Consumer Product," is attached hereto as Exhibit A.

13. The '090 Patent is valid, enforceable, and was duly issued in full compliance with Title 35 of the United States Code.

14. Upon information and belief, Defendants have infringed and continue to infringe one or more claims, including at least claim 1, of the '090 patent by making, using, importing, selling, and/or offering for sale a customizable system to remotely control available automobile functions covered by one or more claims of the '090 patent. Defendants have infringed and continue to infringe the '090 patent in violation of 35 U.S.C. § 271.

Through a login process, a remote server receives the identity of the car and the identity of a user, retrieves the user's preferences, and transmits those preferences to a communication module within the vehicle.

16. Defendants' actions complained of herein will continue unless Defendants are

enjoined by this court.

17. Defendants' actions complained of herein are causing irreparable harm and monetary damage to Plaintiff and will continue to do so unless and until Defendants are enjoined and restrained by this Court.
