“TT-3000 Tracking Device”; GPSI’s “TT-1800 Tracking Device”; and GPSI’s “TTC-1000 Tracking Device” (collectively, “GPSI Tracking Devices”).

13. Upon information and belief, the Defendant – either directly, or through intermediaries including distributors, wholesalers, partners, contractors, retailers, employees, divisions, branches, subsidiaries, parents, or suppliers – made, had made, used, operated, imported, provided, supplied, distributed, sold, and/or offered for sale assert tracking software systems and/or applications that include, but are not limited to: GPSI’s “GPS Insight Standard”; GPSI’s “GPS Insight Pro”; and GPSI’s “GPS Insight Enterprise” (collectively, “GPSI’s Tracking Software”).

14. Upon information and belief, the Defendant – either directly, or through intermediaries including distributors, wholesalers, partners, contractors, retailers, employees, divisions, branches, subsidiaries, parents, or suppliers – made, had made, used, operated, imported, provided, supplied, distributed, offered for sale, and/or sold GPSI’s Tracking Software on a one-time license basis, and on a subscription basis.

15. Upon information and belief, GPSI’s Tracking Devices are built, designed, manufactured, marketed, rented, and/or sold to operate in conjunction with GPSI’s Tracking Software.

16. Upon information and belief, GPSI’s Tracking Devices are built, designed, manufactured, marketed, rented, and/or sold to operate only in conjunction with GPSI’s Tracking Software.

17. Upon information and belief, GPSI’s Tracking Devices operate in conjunction with GPSI’s Tracking Software (collectively, “GPSI Tracking System”) to provide a user with a central monitoring and/or control interface on a desktop or mobile computing device.

18. Upon information and belief, GPSI’s Tracking Systems operate such that a user’s central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device installed in a vehicle or other mobile asset.

19. Upon information and belief, GPSI’s Tracking Systems operate such that a user’s central monitoring and/or control interface receives and/or sends data transmissions or signals

from and/or to a GPSI Tracking Device indicating movement or activation of a vehicle or other mobile asset.

20. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device indicating identification of the driver or other operator of a vehicle or other mobile asset.

21. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device indicating time(s) of activation or operation of a vehicle or other mobile asset.

22. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device indicating location of a vehicle or other mobile asset.

23. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device indicating location of a landmark or other geographic reference point.

24. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device indicating location of a vehicle or other mobile asset in relation to a landmark or other geographic reference point.

25. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device utilizing Global Positioning System (GPS) receivers and/or transmitters.

26. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device utilizing radio signal receivers and/or transmitters, including but not limited to cellular communications networks.

27. Upon information and belief, GPSI's Tracking Systems operate such that a user's central monitoring and/or control interface receives and/or sends data transmissions or signals from and/or to a GPSI Tracking Device including vehicle and/or engine operation or diagnostic data.

28. Upon information and belief, users, customers, subscribers, and/or operators of GPSI's Tracking Systems are under the direction and control of GPSI while utilizing GPSI's Tracking Systems.

29. Upon information and belief, the Defendant's GPSI Tracking Systems, when used and/or operated in their intended manner or as designed, infringe one or more claims of the '471 Patent, and Defendant is therefore liable for infringement of the '471 Patent .

DEMAND FOR JURY TRIAL

Plaintiff, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial by jury of any issues so triable by right.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully requests that this Court enter:

- a. A judgment in favor of Plaintiff that Defendant has directly infringed the '471 Patent;
- b. A permanent injunction enjoining Defendant and its officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringement of the '471 Patent;
- c. A judgment and order requiring Defendant to pay Plaintiff its damages, costs, expenses, and pre-judgment and post-judgment interest for Defendant's infringement of the '471 Patent as provided under 35 U.S.C. § 284;
- d. An award to Plaintiff for enhanced damages resulting from the knowing and deliberate nature of Defendant's prohibited conduct with notice being made at least as early as the service date of this complaint, as provided under 35 U.S.C. § 284;
- e. A judgment and order finding that this is an exceptional case within the meaning of 35 U.S.C. § 285 and awarding to Plaintiff its reasonable attorneys' fees; and

f. Any and all other relief to which Plaintiff may show itself to be entitled.

Dated: November 4, 2016
