JURISDICTION AND VENUE

13. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331, 1338(a), 2201, and 2202.

14. On information and belief, Aurobindo Ltd. and Aurobindo USA develop, formulate, manufacture, import, offer for sale, sell, commercialize, market, and/or distribute generic versions of branded pharmaceutical products in/into the United States, including in the State of Delaware.

17. This Court has personal jurisdiction over Defendants because, *inter alia*, they have committed an act of patent infringement under 35 U.S.C. § 271 (e)(2), and intend a future course of conduct that includes acts of patent infringement in Delaware. These acts have led and will lead to foreseeable harm and injury to Plaintiffs in Delaware. For example, on information and belief, following approval of ANDA No. 209638, Defendants will work in concert to make, use, import, sell, and/or offer for sale Teriflunomide ANDA Products in/into the United States, including in this State, prior to the expiration of the '410 and '346 patents.

18. This Court has personal jurisdiction over Aurobindo USA because, *inter alia*, Aurobindo USA, on information and belief: (1) maintains substantial, systematic, and continuous contacts with the State of Delaware; (2) intends to manufacture, market, sell, or distribute the Teriflunomide ANDA Products to residents of this State, which is confirmed by the filing of ANDA No. 209638; (3) holds a Pharmacy Wholesale License from the State of Delaware under License No. A4-0001270 and a Distributor/Manufacturer License from the State of Delaware under License No. DM0006550; (4) maintains a broad distributorship network within this State;

(5) regularly transacts and/or solicits business in the State of Delaware; (6) continuously and systematically places goods into the stream of commerce for distribution in the United States, including in the State of Delaware; (7) generates substantial revenue and income from sales of its generic pharmaceutical products throughout the United States, including within the State of Delaware.

19. Additionally, on information and belief, Aurobindo USA has previously consented to this Court's jurisdiction and has availed itself of the protections afforded by the Court by asserting counterclaims against plaintiffs in this judicial district. *See, e.g., Allergan Sales, LLC v. Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.*, Civil Action No. 15-cv-01032-LPS (D. Del.); *Acorda Therapeutics, Inc. et al. v. Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.*, Civil Action No. 14-909-LPS (D. Del.); *Pfizer Inc. et al. v. Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.*, Civil Action No. 14-872-SLR (D. Del.).

20. This Court has personal jurisdiction over Aurobindo Ltd. because, *inter alia*, Aurobindo Ltd., on information and belief: (1) maintains substantial, systematic, and continuous contacts with the State of Delaware, including, but not limited to, ongoing communications and contacts with its U.S. Subsidiary, Aurobindo USA; (2) intends to manufacture, market, sell, or distribute the Teriflunomide ANDA Products to residents of this State, which is confirmed by the filing of ANDA No. 209638; (3) maintains a broad distributorship network within this State; (4) regularly transacts and/or solicits business in the State of Delaware; (5) continuously and systematically places goods into the stream of commerce for distribution in the United States, including in the State of Delaware; (6) generates substantial revenue and income from sales of its

generic pharmaceutical products throughout the United States, including within the State of Delaware.

21. Additionally, on information and belief, Aurobindo Ltd. has previously consented to this Court's jurisdiction and has availed itself of the protections afforded by the Court by asserting counterclaims against plaintiffs in this judicial district. *See, e.g., Allergan Sales, LLC v. Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.*, Civil Action No. 15-cv-01032-LPS (D. Del.); *Acorda Therapeutics, Inc. et al. v. Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.*, Civil Action No. 14-909-LPS (D. Del.); *Pfizer Inc. et al. v. Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.*, Civil Action No. 14-872-SLR (D. Del.).

22. Alternatively, to the extent the above facts do not establish personal jurisdiction over Aurobindo Ltd., this Court may exercise jurisdiction over Aurobindo Ltd. pursuant to Fed. R. Civ. P. 4(k)(2) because: (a) Plaintiffs' claims arise under federal law; (b) Aurobindo Ltd. would be a foreign defendant not subject to personal jurisdiction in the courts of any State; and (c) Aurobindo Ltd. has sufficient contacts with the United States as a whole, including, but not limited to, manufacturing and selling generic pharmaceutical products that are distributed throughout the United States, such that this Court's exercise of jurisdiction over Aurobindo Ltd. satisfies due process.

23. Venue is proper in this judicial district pursuant to 28 U.S.C. §§ 1391 and 1400(b).
