UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

LIFETIME BRANDS, INC.,

Plaintiff,

-against-

BOPFANS

Defendants.

Docket No. LONG ISLAND OFFICE

CV 17 2004

COMPLAINT

JURY TRIAL DEMANDED

AZRACK, J.

BROWN, M. J.

Plaintiff, LIFETIME BRANDS, INC. (hereinafter "Plaintiff" and/or "Lifetime"), by its attorneys, TUTUNJIAN & BITETTO, P.C., as and for its complaint against Defendant BOPFANS (hereinafter "Defendant") alleges as follows:

NATURE OF THE ACTION

1. This is an action for Patent Infringement under 35 U.S.C. §271 and §289.
2. As alleged in detail below, Defendant has engaged and continues to engage in a conscious, systematic, and willful pattern of patent infringement, to the damage of Plaintiff.

JURISDICTION AND VENUE

3. This court has jurisdiction over the patent infringement claims pursuant to 28 U.S.C. §§ 1331 and 1338(a).
4. Plaintiff's claims arising under New York State statutory and common law relate directly to Plaintiff's substantial claims under federal patent law and arise from the same nucleus of facts as Plaintiff's federal patent claims.

5. The court has jurisdiction as to Plaintiff's New York State statutory and common law claims under 28 U.S.C. §§ 1332 and 1338(b), as well as supplemental jurisdiction under 28 U.S.C. § 1367.

6. Venue is proper in this District pursuant to 28 U.S.C. §§ 1391(b) and (c) and 1400(b), as the claims arose in this District and due to the fact that Defendants are doing business in this district at least through online sales, thereby placing infringing products into the stream of commerce through established distribution channels with the expectation that such products will be purchased by residents of this District. Defendant has purposefully availed itself of this forum by, among other things, making, shipping, using, offering to sell and selling, and causing others to use, infringing products in the State of New York, including in this District, and, upon information and belief, deriving revenue from such activities.

THE PARTIES

7. Plaintiff is a New York corporation with a principal place of business at 1000 Stewart Ave., Garden City, NY 11530.

8. Defendant BOPFANS is, upon information and belief, a name used by a Chinese national selling products in the United States through a storefront on Amazon.com. BOPFANS is operated by Lan Fen Zhu, No. 302, Alley 1, Xiapai, Shiyan Street, Bao'an District, Shen Zhen, Guang Dong, CN 518000.

PLAINTIFF'S PATENT AND BUSINESS

9. Plaintiff owns U.S. Patent No. D533,752 (hereinafter "the '752 patent"). A copy of the '752 patent is attached as Exhibit A. The '752 patent is entitled "Lunch Purse with Zip," was

filed on October 27, 2005, and issued on December 19, 2006. Built NY, Inc., the original assignee of the '752 patent, assigned the '752 patent to Plaintiff. The assignment of the '752 patent was registered with the United States Patent and Trademark Office ("USPTO") on reel/frame 032390/0447 on March 3, 2014. A copy of the assignment of the '752 patent registered with the USPTO is attached as Exhibit B.

10. Plaintiff owns U.S. Patent No. D534,772 (hereinafter "the '772 patent"). A copy of the '772 patent is attached as Exhibit C. The '772 patent is entitled "Lunch Purse," was filed on October 27, 2005, and issued on January 9, 2007. Built NY, Inc., the original assignee of the '772 patent, assigned the '772 patent to Plaintiff. The assignment of the '772 patent was registered with the United States Patent and Trademark Office ("USPTO") on reel/frame 032390/0447 on March 3, 2014. A copy of the assignment of the '772 patent registered with the USPTO is attached as Exhibit B.

11. Plaintiff owns U.S. Patent No. D535,859 (hereinafter "the '859 patent"). A copy of the '859 patent is attached as Exhibit D. The '859 patent is entitled "Lunch Purse," was filed on October 27, 2005, and issued on January 30, 2007. Built NY, Inc., the original assignee of the '859 patent, assigned the '859 patent to Plaintiff. The assignment of the '859 patent was registered with the United States Patent and Trademark Office ("USPTO") on reel/frame 032390/0447 on March 3, 2014. A copy of the assignment of the '859 patent registered with the USPTO is attached as Exhibit B.

12. Plaintiff owns U.S. Patent No. D513,363 (hereinafter "the '363 patent"). A copy of the '363 patent is attached as Exhibit E. The '363 patent is entitled "One Bottle Tote Apparatus," was filed on January 8, 2005, and issued on January 3, 2006. Built NY, Inc. the original assignee of the '363 patent, assigned the '363 patent to Plaintiff. The assignment of the '363 patent was

registered with the United States Patent and Trademark Office (“USPTO”) on reel/frame 032390/0447 on March 3, 2014. A copy of the assignment of the ‘363 patent registered with the USPTO is attached as Exhibit B.

13. Plaintiff owns all right, title, and interest in and to the ‘752 patent, the ‘772 patent, the ‘859 patent, and the ‘363 patent. Plaintiff manufactures and sells products in accordance with the ‘752, the ‘772 patent, the ‘859 patent, and the ‘363 patent.

14. One such product is BUILT NY GOURMET TO GO LUNCH TOTE, which Plaintiff and its predecessor in interest have manufactured and sold since at least February 6, 2006. Another such product is the BUILT GOURMET GETAWAY LUNCH TOTE. The ‘752 patent, the ‘772 patent, and the ‘859 patent cover the ornamental features of Plaintiff’s products. In particular, the ‘752 patent protects the design of the BUILT NY GOURMET TO GO LUNCH TOTE.

15. Plaintiff actively develops new products and pursues intellectual property protection for those products to stay competitive in the face of counterfeits and knock-offs.

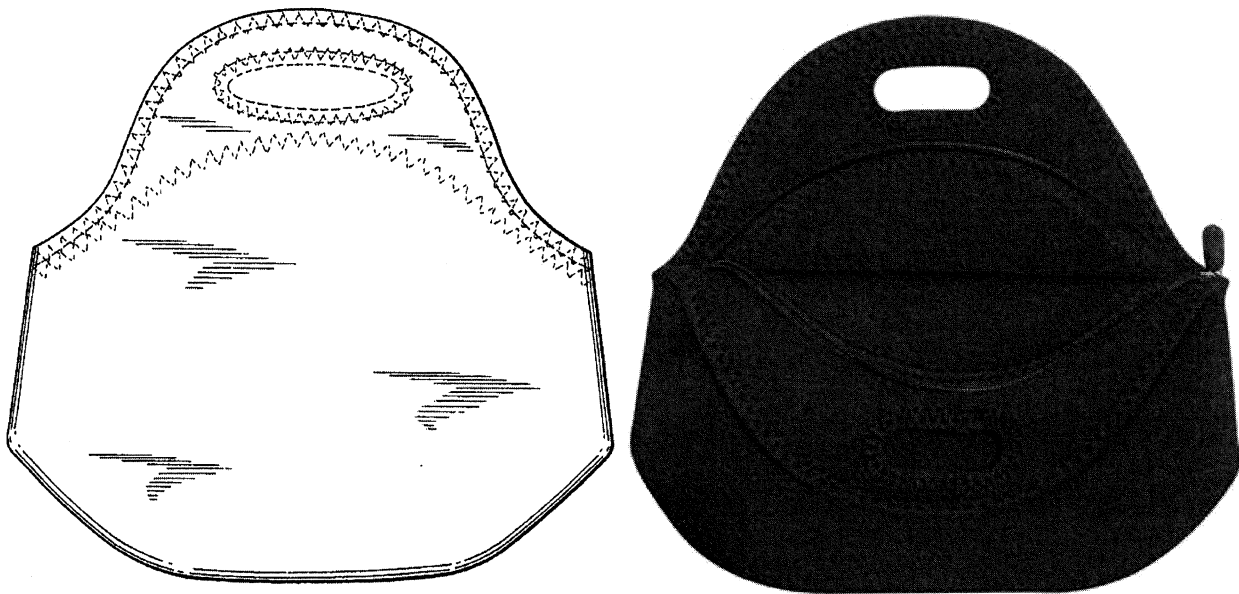

DEFENDANT’S INFRINGING ACTS

16. Defendant has been offering to sell and selling products that infringe the ‘752 patent, the ‘772 patent, the ‘859 patent, and the ‘363 patent, including sales offered and made on Amazon.com, since at least September 21, 2015.

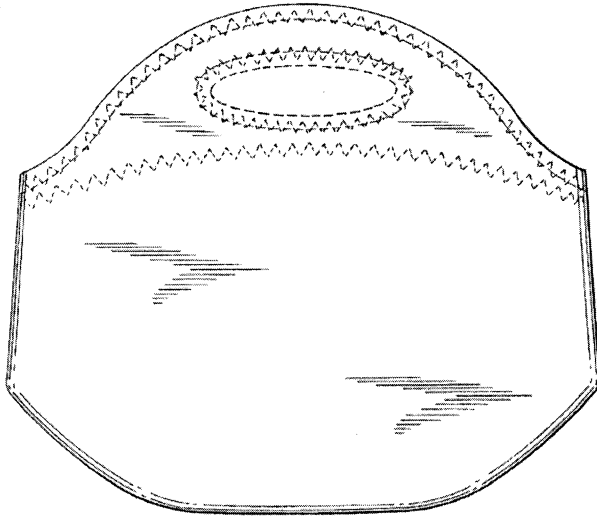

17. In particular, Defendant sells an item identified as, “Lunch Tote, OFEILY Lunch boxes Lunch bags with Fine Neoprene Material Waterproof Picnic Lunch Bag Mom Bag (Black)” (hereinafter “BOPFANS tote”), with multiple different graphical designs printed on the bag. The BOPFANS tote is listed for sale at <https://www.amazon.com/OFEILY-Neoprene-Material->

Waterproof-Diamond/dp/B0181SJR6K. A copy of the Amazon webpage where Defendant offers for sale its infringing BOPFANS tote is attached as Exhibit F.

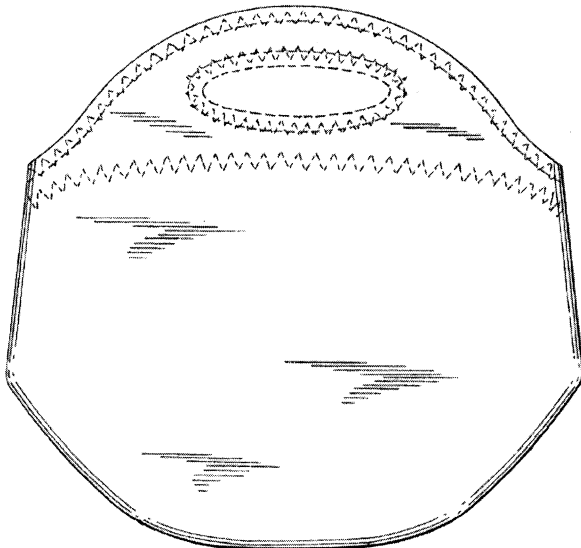

18. An ordinary observer would think that the BOPFANS tote is substantially the same as at least one of the design of the '752 patent, the '772 patent, and the '859 patent. Indeed, as the side-by-side comparison shown below reveals, Defendant has misappropriated and infringed Plaintiff's patented lunch purse design in the accused BOPFANS tote depicted below. A view of the '752 patent is shown on the left, with corresponding views of the infringing BOPFANS tote on the right.

19. A similar front view of the '772 patent is shown on the left, with a corresponding view of the infringing BOPFANS tote on the right:

20. A similar front view of the '859 patent is shown on the left, with a corresponding view of the infringing BOPFANS tote on the right:

21. The BOPFANS tote infringes the design of one or more of the '752 patent, the '772 patent, and the '859 patent.

22. The BOPFANS tote Amazon.com page attached as Exhibit F identifies the "Date first available at Amazon.com" as November 16, 2015.

23. To date, 186 customer reviews have been left on the BOPFANS tote Amazon.com page, 140 of which are indicated as being “verified purchases.”

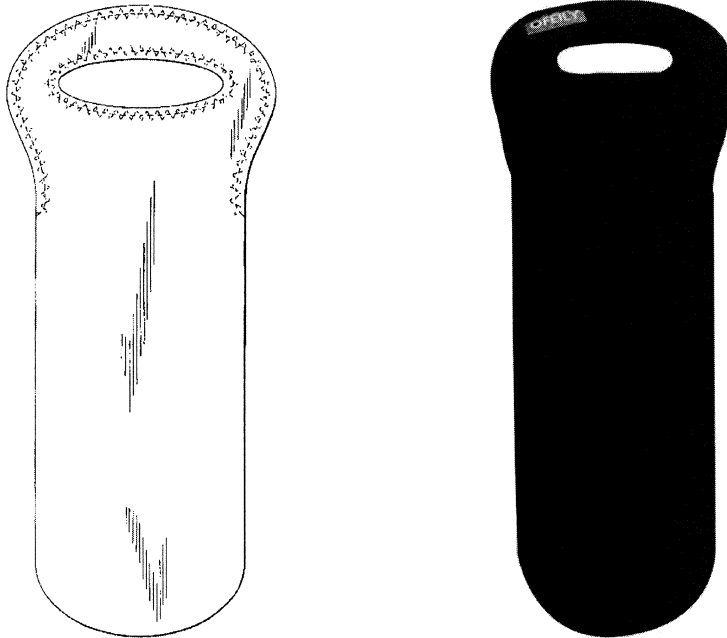

24. Upon information and belief, Defendant has been offering for sale and selling its infringing BOPFANS tote from November 16, 2015 to the present day.

25. Defendant had constructive notice of Plaintiff’s ‘752 patent through the marking of products sold with the patented design.

26. Defendant’s ongoing sales of the BOPFANS tote therefore constitute willful infringement.

27. Defendant further sells an item identified as, “Wine Carrier, OFEILY Durable Neoprene Single Bottle Wine Tote Bag/Beer/Cans/champagne/Water or Drink Bottle Bag(1-Bottle, Black)” (hereinafter “BOPFANS wine bottle bag”). The BOPFANS wine bottle bag is listed for sale at <https://www.amazon.com/Carrier-Durable-Neoprene-champagne-1-Bottle/dp/B01CKQPZ6K>. A copy of the Amazon webpage where Defendant offers for sale its infringing BOPFANS wine bottle bag is attached as Exhibit G.

28. An ordinary observer would think that the BOPFANS wine bottle bag is substantially the same as the design of the ‘363 patent. Indeed, as the side-by-side comparison shown below reveals, Defendant has misappropriated and infringed Plaintiff’s patented one bottle tote in the accused BOPFANS wine bottle bag depicted below. A view of the ‘363 patent is shown on the left, with corresponding views of the infringing BOPFANS wine bottle bag on the right.

29. The BOPFANS wine bottle bag infringes the design of the ‘363 patent.
30. The BOPFANS wine bottle bag Amazon.com page attached as Exhibit G identifies the “Date first available at Amazon.com” as March 5, 2016.

45. Plaintiff complied with the marking statute, 35 U.S.C. § 287, with respect to the BUILT NY GOURMET TO GO LUNCH TOTE, marking that product as being protected by the ‘752 patent.

46. Defendant therefore had implied notice of its infringement.

47. As such, Defendant’s offer for sale of, and actual sale of, infringing products has been conducted in bad faith.

48. “[T]he essence of unfair competition under New York common law is the bad faith misappropriation of the labors and expenditures of another.” *Jeffrey Milstein, Inc. v. Greger, Lawlor, Roth, Inc.*, 58 F.3d 27, 34 (2d Cir. 1995) (internal citations and quotations omitted).

49. The above-described acts constitute unfair competition under the common law of the State of New York.

50. As a result of Defendants’ unfair competition, Plaintiff has been damaged in an amount to be ascertained at trial and, unless Defendants’ conduct is preliminarily and permanently enjoined, Plaintiff will continue to suffer irreparable harm.

I LOVE LUNCH!!!! Nom nom.
By Elena TOP 500 REVIEWER on March 8, 2016

Color: Sideling Dots
Please see my video review to see it up close and in action!

This item delivers on quality and performance. It's the lunch pail, all grown up. (or not!) This would work for a variety of ages. I'm an adult and I love it. I can easily see this working for a child too. This fits just enough stuff, but isn't bulky. It expands from the bottom, so it's really only as big as the items you put inside. It's neoprene, well stitched and has a sturdy zipper. This should last a long

Length: 2:24 Mins

time. I like that neoprene is water resistant, so I don't have to be overly concerned with that issue. Plus, it helps with temperature regulation. This bag is really cute and easy to carry and I've received a lot of compliments on it I'm very happy with this item and have no hesitations about recommending this lunch bag.

If this review was helpful to you, please click the helpful button below. I appreciate your support!

I'm very pleased with this item. Although I received this product complimentary or at a discount, my review remains honest, fair, and unbiased and is based on my own opinions from owning the product. Overall, two thumbs way up!

Smells Awful!! And the Colors are Dull!

By LC Hall on November 12, 2016

Color: Peacock Verified Purchase

Ugh. Count me among those who just cannot tolerate the awful smell of this bag!! It is overwhelming to me, and I even washed the bag, aired it out, and put a box of baking soda in it for a few days. Right now, I'm sitting 10 feet away from it, and I can still smell it. I can only imagine how that will make my food taste when I keep it stored in this bag. I'm sure it will be transferred to the food, as most odors are. I just can't use it, not even for non-food items, because to me the smell is way too strong and distasteful. And you know what, all I did was wash my old bag, and now it looks like new again, so I shouldn't have even wasted the money. Oh, and the colors are nowhere near as vibrant as they are shown in the picture. I am not happy with this product, and do not recommend it to anyone with a sensitive nose. I'd return it if I could.

Great little lunch bag!

By K. Beard on April 3, 2016

Color: Royal Blue and Dots Verified Purchase

I use this 2ish times a week for my 3 year olds lunch and it works perfect. It's on the small side, it wouldn't work well for bigger lunches, but I can fit a small lunch (a small sandwich) and a few snacks. The zipper is smooth and I've washed it with no problems. It's flexible and has some stretch and can

Love it!

By Brea S. on November 17, 2016

Color: Flower and Leaf Verified Purchase

I love this lunch bag! My old bag got ruined and I wanted to try something more roomy and flexible than the typical school kid cooler lunch bag. This is perfect! Besides the cranberry floral pattern being really pretty, this bag is the perfect size to hold my lunches. It fits all my different reusable containers and because the material is so flexible, I can combine different shapes and sizes and it still zips! Like others have mentioned, it has a bit of a chemical smell but it doesn't effect the food and it's not strong enough to be bothersome.

I can always spot my lunch at work!

By S.Prater on July 1, 2016

Color: Peacock Verified Purchase

This is a colorful lunch tote that makes it easy to spot my lunch in the refrigerator at work. It's the perfect size for a few items and can even be put in the freezer. The only thing I wish was different is the handle. It is wide enough to hold but sometimes I want to carry it on my wrist and put my hand through the hole. This is more of a snug fit but not impossible.

Smells horrible. Wasted money.

By Patricia McNally on February 8, 2017

Color: White Flower in Rose Verified Purchase

I have had this for 2-3 months and still cannot use it due to the smell. It came in a small bag but probably should have had a gel pack. I have washed it twice but it still smells so bad, I won't put food in it. Waste of money. Do not buy this, get one from another vendor. I wrongly assumed it would be ok and recycled all packaging/slips for return.

I have an old Built version that I need to replace. That one never had the horrible smell but I assume it was due to improper storage.

It keeps my food cool maybe 1-2 hours at most

By Anya R. on July 1, 2016

Color: Leaf Verified Purchase

Cute bag. Keeps my food together, but don't buy this expecting it to insulate stuff for a long time. It keeps my food cool maybe 1-2 hours at most, but I have a fridge at work so this isn't a huge problem.

in hopes that it would smell better it didn't

By DaniFest on February 2, 2017

Color: Blue Diamond Verified Purchase

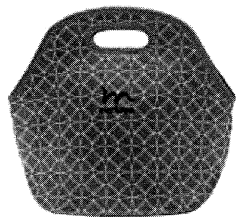

I really thought this lunch box was cute, I'm 23 and needed something for work. However it stinks to all hell. I put it outside overnight in hopes that it would air out, I put it in the dryer with a bunch of dryer sheets, no heat, in hopes that it would smell better it didn't. Even my dog ran away from it. I didn't want to put my food in it. Finally, it's stopped smelling awful, it works well, fits my meal prep containers. Just be aware that it smells, for a while...

- *** PRACTICAL DESIGN:** Our Wine tote is lightweight and soft yet strong and flexible. Your bottles wont fall out whether the bag falls over nor will they break, making this bag an excellent choice for transportation. It folds flat when not in use taking up little space.
- *** MADE OF THICKER NEOPRENE** - If a wetsuit keeps a surfer's body temperature stable, just think how the same material will insulate your wine, beer or champagne. Our 4mm thick neoprene insulates longer (up to four hours) and stretches and expands to fit all sorts of bottle sizes. Unlike other wine totes that leave the tops of the wine bottles exposed to breakage, heat, and cold, ours completely surrounds the bottle for the best insulation.
- *** PREVENT BREAKAGE** - This wine carrier is made of high quality neoprene that provides cushioning for wine bottles during transportation and helps prevent accidental breakage of bottles. Each separate sleeve of the wine carrier ensures that the bottles don't clank together.
- *** NOT JUST FOR WINE:** Our Wine tote is perfect for carrying cold beer, sports drinks, water bottles, baby bottles, and more. Also great for stashing snacks!
- *** PERFECT GIFT** for wine lovers. This makes a great stocking stuffer. More and More restaurants are BYOB friendly nowadays. Our tote allows you to transport your wine safely and chilled. Also makes a great party Accessory.You will arrive to the party in style.
