GreenEarth® Cleaning, L.L.C. d/b/a GreenEarth® Cleaning for its Petition against Natomas Fresh Cleaners, Inc., states and alleges as follows:

Parties, Jurisdiction and Venue

1. GreenEarth® Cleaning, L.L.C. (hereinafter referred to as "GreenEarth") is a Delaware Limited Liability Corporation, also doing business as GreenEarth® Cleaning, with its principal place of business at 51 W. 135th Street, Kansas City, Missouri 64145.

2. GreenEarth is the assignee of all contracts, licenses, licensed products, licensed processes, patents, trademarks, tradenames and intellectual property rights and holds all rights, title and interest in and to said contracts, licenses, licensed products, licensed processes, patents, trademarks, tradenames and intellectual property which is the subject of GreenEarth's claims herein.

3. Natomas Fresh Cleaners, Inc. (hereinafter referred to as "Fresh Cleaners") is a California corporation doing business in Sacramento, California, as a drycleaning business, and

a licensee of GreenEarth's intellectual property, with a store location at: 4261 Truxel Road, Sacramento, California 95834.

4. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(b) because a substantial part of the events giving rise to the claim occurred in this judicial district; because Fresh Cleaners is subject to personal jurisdiction in this judicial district; and the parties' agreements provide for venue in this Court.

5. This Court has jurisdiction over the subject matter of the Petition pursuant to 15 U.S.C. § 1121; 28 U.S.C. § 1331; 28 U.S.C. § 1338; and 28 U.S.C. § 1367.

6. This Court has personal jurisdiction over Fresh Cleaners because the parties entered into a contract in the State of Missouri, and Fresh Cleaners specifically consents in the parties' agreement to the jurisdiction of this Court.

12. The Marks have been used for an extensive amount of time - for 15 years - and GreenEarth has expended substantial amounts of money promoting its Marks, further evidence that the Marks serve to identify GreenEarth as the source of services that bear the Marks.

Fresh Cleaners' Infringing and Unfair Conduct

13. On November 14, 2006, GreenEarth entered into a Letter of Understanding ("Contract") with Fresh Cleaners. A copy of the Letter of Understanding is attached hereto as **Exhibit 2**.

14. Pursuant to the Contract, GreenEarth licensed Fresh Cleaners to use the Marks, the Patents, its Licensed Products and its Licensed Processes (collectively referred to as "Licensed Property") in connection with the operation of Fresh Cleaners' dry cleaning businesses, and GreenEarth agreed to and did grant Fresh Cleaners' certain rights in and to such Licensed Property.

19. Pursuant to Paragraph 7 of the Contract, Fresh Cleaners agreed that it would "...follow and abide by the Network Rules and any changes to those Rules as we may issue from time to time."

20. Paragraph 1.3 of the Network Rules defines "Confidential Information" as "(a) the Licensed Processes and (b) all other information supplied to Licensee or to which Licensee becomes exposed during the term hereof which is (if in writing) marked by Licensor as confidential, secret or proprietary or (if not in writing) is described (within ten (10) days of Licensee's exposure to the information) as confidential, secret, or proprietary in a written memorandum furnished to Licensee by Licensor. Notwithstanding the foregoing "Confidential Information" shall not include:

- (a) Information which is in the public domain at the time of disclosure to Licensee or information which later comes into the public domain through no fault, error, or

omission of Licensee;

Paragraph 1.8 of the Network Rules defines "Licensed Products" as "the chemicals, substances, and other material listed on Exhibit C (enclosed with the Letter of Understanding), together with any new or revised chemicals, substances, or other materials offered or sold to Licensees by any entity using any of the Marks. The term includes, but is not limited to, the chemicals, substances, and materials, or specific uses thereof, covered by the Patent Application or by any Patent, together with any and all improvements thereon, and any and all know-how associated with the use of the Licensed Products in the Licensed Processes."

22. Paragraph 1.9 of the Network Rules defines "Licensed Processes" as "the Drycleaning processes and procedures set forth in the Confidential GreenEarth Drycleaning Processes disclosure to be furnished to Licensees by Licensors upon execution of the Letter of Understanding. The Licensed Processes include, but are not limited to, the processes, procedures, and other inventions disclosed in the Patent Application or covered by any Patent, together with any and all improvements thereon, and any and all know-how associated with the use of the Licensed Products in the Licensed Processes."

23. Paragraph 1.10 of the Network Rules defines "Licensee" as "any establishment offering Drycleaning services and which has entered into a Letter of Understanding with Licensors." "A licensee is also called an 'Affiliate.'"

24. Paragraph 1.11 of the Network Rules defines "Licensor" as GreenEarth® Cleaning L.L.C., a Delaware limited liability company."

25. Paragraph 1.12 of the Network Rules defines "Marks" as "trademarks, service marks, and other commercial symbols set forth on Exhibit C (enclosed with the Letter of Understanding), which Marks are owned by Licensor."

Each Licensee understands and accepts the terms, conditions, and covenants contained in these Network Rules as being reasonable and necessary to maintain Licensor's goodwill in the Marks."

28. Paragraph 5.1 provides that:

"Affiliate shall pay an Affiliation Fee based on: (i) the number of Drycleaning Machines in which Licensee may use the Licensed Processes or Licensed Products, plus (ii) the number of Transfer Recovery Dryers used by said Drycleaning Machines. The annual Affiliation Fee shall be payable in advance for a license period of twelve months duration and the amount of the annual Affiliation Fee shall be determined in accordance with Exhibit B. The annual Affiliation Fee for each Drycleaning Machine or Transfer Recovery Dryer shall be due on the first day of the month following the date each machine begins operating using the Licensed Processes. At such time as the Licensee increases, decrease, or otherwise changes the number and/or type of machines eligible for the Licensed Processes or the Licensed Products, or the number of Transfer Recovery Dryers, Licensee shall provide Licensor notice thereof, and, unless and until Licensor objects, Exhibit A shall be adjusted accordingly, effective as of the first day of the month follow the month in which the said notice is

given. Licensors may change the Per-Machine Fee or the Per-Transfer Recovery Dryer Fee used in calculating the Affiliation Fee no more often than annually by providing sixty (60) days' prior written notice to the Licensee."

29. Paragraph 8.1 of the Network Rules provides that "Each Licensee's right to use the Marks is derived solely from the applicable Letter of Understanding and these Network Rules and is limited as provided herein. Any unauthorized use of the Marks by Licensee shall constitute a breach of these Rules and an infringement of the rights of Licensors in and to the Marks. All usage of the Marks by any Licensee and any goodwill established thereby shall inure to the exclusive benefit of Licensors. The Letter of Understanding and these Rules do not confer any goodwill or other interests in the Marks upon any Licensee (other than the right to use the Marks in connection with its use of the Licensed Processes and the Licensed Products)."

30. Paragraph 8.2 of the Network Rules provides that "Each Licensee shall use the Marks only in connection with its use of the Licensed Processes or Licensed Products. All other actions with regard to the Marks are prohibited."

31. Paragraph 10.1 of the Network Rules provides that "If any licensee(e) fails to make any payment to Licensors when the same is due; or (f) otherwise violates these Network Rules or breaches the Letter of Understanding, then the Letter of Understanding shall be deemed terminated and the Licensee shall be deemed disaffiliated with the GreenEarth® Affiliate Network upon the expiration of the applicable cure period (as described below) without the need for any further action or notice, provided that the breach or violation is not cured during the applicable cure period to the satisfaction of Licensors."

32. Paragraph 10.2 of the Network Rules provides that "For the events, breaches,

and/or violations described in clauses (a), (b) and (f) of Section 10.1, the cure period is thirty (30) days; for the events, breaches and/or violations described in clauses (c) and (e) of Section 10.1, the cure period is five (5) days...." "In each case in which there is a cure period, the applicable cure period commences upon the date when notice of the event, breach, and/or violation is provided"

33. Paragraph 11.1 of the Network Rules provides that "Each Licensee shall pay to Licensor or its Associates within fifteen (15) days after the effective date of termination of the Letter of Understanding and disaffiliation from the GreenEarth Affiliate Network all amounts owed to Licensor or its Associates which have accrued, but which are then unpaid."

34. Paragraph 11.2 provides that "After disaffiliation from the GreenEarth Affiliate Network, each Licensee shall:

(b) Remove all signs, emblems, decals or other items containing any of the Marks and return to Licensor or destroy all forms and material containing any Mark or otherwise identifying or relating to Licensor or the GreenEarth® Affiliate Network;

(c) Furnish to Licensor, within thirty (30) days after the effective date of disassociation, evidence satisfactory to Licensor of Licensee's compliance along with the provisions of this Section 11.2 and Section 11.3 hereof.

35. Paragraph 11.3 provides that "[u]pon termination of the Letter of Understanding and disaffiliation from the GreenEarth Affiliate Network (for any cause), each disaffiliated

Licensee shall immediately cease to use any Confidential Information and return to Licensor all copies of the Confidential Information.”

36. Paragraph 11.4 provides that “[a]ll obligations of Licensor and Licensee under Sections 4, 11.1 through 11.3 and 12.4 of the Network Rules shall continue, notwithstanding termination of the Letter of Understanding and/or disaffiliation from the GreenEarth Affiliate Network.”

37. Fresh Cleaners failed to pay its Affiliation Fee for use of GreenEarth’s Licensed Product, Licensed Processes, Patents and Marks from September 1, 2013, through the present.

38. On March 15, 2016, GreenEarth gave Fresh Cleaners notice that its account was delinquent with regarding to its Affiliation Fees and that it was in breach of the Letter of Understanding and Network Rules.

39. On October 18, 2016, GreenEarth made an in-person visit to Fresh Cleaners’ business and again notified Fresh Cleaners of the outstanding Affiliation Fees and that it was in breach of the Letter of Understanding and Network Rules.

40. As of the filing of this lawsuit, Fresh Cleaners has failed and refused to pay to GreenEarth the outstanding license fees or to provide evidence that it has removed the GreenEarth silicone solvent and all GreenEarth marketing materials.

41. Based upon information and belief, Fresh Cleaners continues to use GreenEarth's Marks, Patents, Licensed Processes and Licensed Products in direct violation of the agreements and GreenEarth's intellectual property rights, to the damage and detriment of GreenEarth.

42. As a result of Fresh Cleaners’ continued use of GreenEarth's products and

processes, licensing fees are due and payable, with interest, for the 2013-2014, 2014-2015, 2015-2016, and 2016-2017 periods. Minus credits for payments made, Fresh Cleaners owes to GreenEarth \$10,910.00 in licensing fees and late fees plus all accrued and future interest. As of the date of filing this complaint, Fresh Cleaners has failed and refused to pay the total amount due. Fresh Cleaners failed to timely cure the default pursuant to paragraph 10.2 of the contracts, or to cure the default at any time prior to the filing of the lawsuit.

43. Fresh Cleaners has failed to cease using GreenEarth's Patents and Marks as required by 11.2 of the Network Rules and has failed to pay to GreenEarth all amounts owed to GreenEarth as required by 11.1 of the Network Rules.

44. Paragraph 13.5 of the Contract provides for attorneys' fees; accounting fees, expenses and costs to GreenEarth in a successful action brought to enforce the Contract.

COUNT I **BREACH OF CONTRACT**

45. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 44 as though fully set forth herein.

46. GreenEarth and Fresh Cleaners entered into a written licensing contract wherein GreenEarth licensed Fresh Cleaners to use its Marks, Patents, Licensed Processes and Licensed Products in connection with the operation of Fresh Cleaners' drycleaning business, and GreenEarth agreed to and did grant Fresh Cleaners certain rights in and to those Marks, Patents, Licensed Processes and Licensed Products.

47. GreenEarth has performed all of the obligations required of it under the Contract and Network Rules.

48. Fresh Cleaners has failed to perform and has breached its obligations under the

Contract and Network Rules, including, but not limited to, its failure to cease using GreenEarth's Marks, Patents, Licensed Processes and Licensed Products upon termination of the Contract and Network Rules and its failure to pay licensing fees for the time period during which it has continued to use GreenEarth's Marks, Patents, Licensed Processes and Licensed Products.

49. GreenEarth has been injured and has incurred damages as the result of Fresh Cleaners' breach. The precise amount of damages on the licensing contract regarding Fresh Cleaners' "Annual Fee" obligation is \$10,910.00 plus interest. The damages suffered by GreenEarth as a result of the breaches of the licensing agreement concerning the unlawful use of GreenEarth's intellectual property rights has not yet been ascertained.

50. GreenEarth has been required to retain the law firm of Post Anderson Layton Heffner, LLP and has incurred attorneys' fees and costs to pursue its rights and remedies in this lawsuit. Pursuant to Paragraph 13.5 of the Network Rules, Licensor shall be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees, to the extent incurred with respect to the issues for which Licensor prevails. GreenEarth seeks recovery of all attorneys' fees and costs incurred herein.

COUNT II

DECLARATORY RELIEF

51. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 50 as though fully set forth herein.

52. On or about November 11, 2006 and continuing through October of 2016, GreenEarth and Fresh Cleaners entered into the Contract and Network Rules wherein GreenEarth granted Fresh Cleaners a non- transferable, and nonexclusive license to:

- a. Utilize the Licensed Processes and the Licensed Products in Drycleaning operations at the locations and in the number of Drycleaning Machines and Transfer Recovery Dryers;
- b. Use the Marks in connection with Drycleaning services furnished by Fresh Cleaners at retail at the Plant and at Dry Store locations where Drycleaning is exclusively processed using the Licensed Products and Processes.

53. Pursuant to the Contract all "Marks" and "Patents" as defined by the Contract are held by GreenEarth exclusively, as are all Licensed Processes and Licensed Products. Upon disaffiliation under the Contract, specifically but not limited to, Paragraph 11.2, Fresh Cleaners shall:

- a. Not directly or indirectly at any time or in any manner identify Associates or any business as using the Licensed Processes or the Licensed Products, or as a Licensee of, or as otherwise associated with Licensor, or use any of the Marks or any colorable imitation thereof in any manner or for any purpose, or utilize for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection, affiliation, or association with Licensor or the GreenEarth® Affiliate Network;
- b. Remove all signs, emblems, decals, or other items containing any of the Marks and return to Licensor or destroy all forms and materials containing any Mark or otherwise identifying or relating to Licensor or the GreenEarth® Affiliate Network;
- c. Furnish to Licensor, within thirty (30) days after the effective date of disassociation, evidence satisfactory to Licensor of Licensee's compliance with the provisions of this Section 11.2 and Section 11.3 hereof.

54. On March 15, 2016, GreenEarth gave Fresh Cleaners notice that its account was delinquent with regarding to its Affiliation Fees and that it was in breach of the Letter of Understanding and Network Rules.

55. On October 18, 2016, GreenEarth made an in-person visit to Fresh Cleaners' business and again notified Fresh Cleaners of the outstanding Affiliation Fees and that it was in breach of the Letter of Understanding and Network Rules.

56. As a result of Fresh Cleaners' failure to cure its default under the Letter of Understanding and Network Rules, Fresh Cleaners is no longer an affiliate of the GreenEarth Affiliate Network.

57. Despite its disaffiliation, Fresh Cleaners has failed and refused to comply with Paragraph 11.2 of the Network Rules. Specifically, based on information and belief, Fresh Cleaners continues to use all Marks, Patents, Licensed Products and Processes in direct violation of the contract and GreenEarth's intellectual property rights.

58. An actual controversy has arisen and now exists between GreenEarth and Fresh Cleaners concerning their respective rights and duties in that GreenEarth contends that Fresh Cleaners continues to use, contrary to law and contract, the Marks, Patents, Licensed Products and Processes in direct violation of contract and termination of the licensing agreement.

59. GreenEarth seeks a declaration of rights and duties arising under the agreements with respect to its ownership interest in the Marks, Patents, Licensed Products and Processes.

COUNT III **PATENT INFRINGEMENT**

60. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 59 as though fully set forth herein.

61. On August 24, 1999, U.S. Patent No. 5,942,007 (the "5,942,007 Patent") was duly and legally issued in the name of GreenEarth Cleaning, LLP. A copy is attached hereto as **Exhibit 1**.

62. The 5,942,007 Patent is presently in force.

63. The 5,942,007 Patent covers the use of liquid silicone as a solvent in drycleaning using steps 1 through 7.

64. Additional patents containing variations of the 5,942,007 Patent have been duly and legally issued to GreenEarth Cleaning, LLP, as set forth in Paragraph No. 8 herein.

65. Fresh Cleaners has used liquid silicone as a drycleaning solvent since obtaining a license from GreenEarth in 2006.

66. Fresh Cleaners is no longer a licensee of GreenEarth and, therefore, is no longer entitled to use GreenEarth's patented process for the use of liquid silicone as a drycleaning solvent.

67. Upon information and belief, Fresh Cleaners has infringed one or more claims of the Patents by continuing to utilize liquid silicone as a drycleaning solvent and completing steps 1 through 7 of the 5,942,007 Patent, as well as the registered variations on the 5,942,007 Patent.

68. If Fresh Cleaners' infringement of the Patents is found to constitute an exceptional case then GreenEarth is entitled to recover its attorneys' fees.

69. Upon information and belief, Fresh Cleaners intends to continue in its infringing acts, unless restrained by this Court.

70. Fresh Cleaners' acts have damaged and will continue to damage GreenEarth, and GreenEarth has no adequate remedy at law.

COUNT IV **TRADEMARK INFRINGEMENT**

71. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 70 as though fully set forth herein.

72. GreenEarth owns the Marks.

73. GreenEarth has used the Marks continuously and consistently for an extended period of time to advertise, promote, and display its goods, services and products. GreenEarth's use of the Marks in interstate commerce has indelibly impressed on the consuming public's minds the impression that the Marks identify the processes and services of GreenEarth. Thus, the relevant consumers have come to associate the Marks with GreenEarth.

74. At all material times herein, Fresh Cleaners' rights to utilize GreenEarth's trademarks, processes and products arose exclusively from the licensing contracts entered into between GreenEarth and Fresh Cleaners, which granted Fresh Cleaners a non-transferable, and nonexclusive license to:

- a. Utilize the Licensed Processes and the Licensed Products in Drycleaning operations at the locations and in the number of Drycleaning Machines and Transfer Recovery Dryers;
- b. Use the Marks in connection with Drycleaning services furnished by Fresh Cleaners at retail at the Plant and at Dry Store locations where Drycleaning is exclusively processed using the Licensed Products and Processes.

75. Pursuant to Paragraph 1.12 of the Affiliate Network Rules, the term "Marks" is defined as the "trademarks, service marks, and other commercial symbols set forth on Exhibit C (enclosed with the Letter of Understanding), which Marks are owned by Licensor."

76. Pursuant to Paragraph 1.14 of the Affiliate Network Rules, the term "Patent" is defined as "any letters patent that issue as a result of or based on the Patent Application or the inventions disclosed therein, including (without limitation), any continuations or continuations in part or divisionals."

77. On March 15, 2016, GreenEarth gave Fresh Cleaners notice that its account was delinquent with regarding to its Affiliation Fees and that it was in breach of the Letter of

Understanding and Network Rules.

78. On October 18, 2016, GreenEarth made an in-person visit to Fresh Cleaners' business and again notified Fresh Cleaners of the outstanding Affiliation Fees and that it was in breach of the Letter of Understanding and Network Rules.

79. As a result of Fresh Cleaners' failure to cure its default under the Letter of Understanding and Network Rules, Fresh Cleaners is no longer an affiliate of the GreenEarth Affiliate Network.

80. Despite its disaffiliation, Fresh Cleaners has failed and refused to comply with Paragraph 11.2 of the Network Rules. Specifically, based on information and belief, Fresh Cleaners continues to use all Marks, Patents, Licensed Products and Processes in direct violation of the contract and GreenEarth's intellectual property rights.

81. At all relevant times Fresh Cleaners continues to use all Marks, Patents, Licensed Products and Processes in its advertising; packaging; storefront and store location advertising; and continues to use the liquid solvent processing in direct violation of the contracts, and GreenEarth's registered Marks and Patents.

82. Fresh Cleaners' continued use of the Marks to identify Fresh Cleaners' services constitutes use of a copy and colorable imitation of GreenEarth's Marks and is likely to cause confusion or mistake, or to deceive the purchasing public into believing that the services of Fresh Cleaners emanate from GreenEarth or that there is some connection, sponsorship, or affiliation between the services of GreenEarth and Fresh Cleaners, all of which are contrary to fact.

83. GreenEarth has no control over the nature and quality of the services of Fresh Cleaners. Any failure, neglect, or default by Fresh Cleaners in providing services will reflect adversely on GreenEarth as the believed source or origin thereof, which will hinder GreenEarth's

effort to continue to protect its outstanding reputation in the industry and subject GreenEarth to loss of sales of goods and loss of the considerable expenditures it has made to promote its goods in association with the Marks, all to the irreparable harm of GreenEarth.

84. Fresh Cleaners' conduct constitutes an infringement of GreenEarth's registered Marks and is actionable under Section 32 of the Lanham Act, 15 U.S.C. § 1114.

85. Upon information and belief, Fresh Cleaners has deliberately and willfully infringed GreenEarth's Marks in violation of 15 U.S.C. § 1114, and GreenEarth has been and will continue to be irreparably harmed by such infringement unless this Court enjoins Fresh Cleaners from its continuing infringement pursuant to Section 34 of the Lanham Act, 15 U.S.C. § 1116.

86. Upon information and belief, Fresh Cleaners is willfully infringing GreenEarth's Marks. As a result of Fresh Cleaners' deliberate and willful infringement of GreenEarth's Marks, GreenEarth is entitled to damages, Fresh Cleaners' profits, attorneys' fees and costs, and any and all other relief authorized by Section 35 of the Lanham Act, 15 U.S.C. § 1117.

COUNT V
FALSE DESIGNATION OF ORIGIN
AND FALSE ADVERTISING (15 U.S.C. § 1125(a))

87. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 86 as though fully set forth herein.

88. Fresh Cleaners' promotion, advertising, distribution, sale and/or offering for sale of its services, together with its use of GreenEarth's Marks is intended, and is likely to confuse, mislead, or deceive consumers, the public, and the trade as to the origin, source, sponsorship, or affiliation of the services, and is intended, and is likely to cause such parties to believe in error that the services have been authorized, sponsored, approved, endorsed or licensed by

GreenEarth, or that Fresh Cleaners is in some way affiliated with GreenEarth.

89. The foregoing acts of Fresh Cleaners constitute a false designation of origin, and false and misleading descriptions and representations of fact, all in violation of Section 43(a) of the Lanham Act (15 U.S.C. § 1125(a)).

90. Upon information and belief, Fresh Cleaners has made and will continue to make substantial profits and/or gains to which it is not in law or equity entitled.

91. Upon information and belief, Fresh Cleaners intends to continue its infringing acts, unless restrained by this Court.

92. Fresh Cleaners' acts have damaged and will continue to damage GreenEarth, and GreenEarth has no adequate remedy at law.

COUNT VI
TRADEMARK DILUTION (15 U.S.C. § 1125(c))

93. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 92 as though fully set forth herein.

94. GreenEarth's Marks are strong and distinctive marks that have been in use for many years and have achieved enormous and widespread public recognition.

95. GreenEarth's Marks are famous within the meaning of Section 43(c) of the Lanham Act (15 U.S.C. § 1125(c)).

96. Fresh Cleaners' offering of services using GreenEarth's Marks without authorization from GreenEarth is diluting the distinctive quality of GreenEarth's Marks and decreasing the capacity of such marks to identify and distinguish GreenEarth's processes.

97. Fresh Cleaners has intentionally and willfully diluted the distinctive quality of the famous GreenEarth Marks in violation of Section 43(c) of the Lanham Act (15 U.S.C.

§ 1125(c)).

98. Upon information and belief, Fresh Cleaners has made and will continue to make substantial profits and/or gain to which it is not in law or equity entitled.

99. Upon information and belief, Fresh Cleaners intends to continue its infringing acts, unless restrained by this Court.

100. Fresh Cleaners' acts have damaged and will continue to damage GreenEarth, and GreenEarth has no adequate remedy at law.

COUNT VII
COMMON LAW TRADEMARK INFRINGEMENT

101. GreenEarth hereby restates, re-alleges and incorporates by reference paragraphs 1 through 100 as though fully set forth herein.

102. At all material times herein, Fresh Cleaners' rights to utilize GreenEarth's Trademarks, Processes and Products arose exclusively from the licensing contracts entered into between GreenEarth and Fresh Cleaners. On November 14, 2006 and continuing through October of 2016, GreenEarth and Fresh Cleaners entered into agreements wherein Fresh Cleaners was granted, pursuant to contract, a non-transferable, and nonexclusive license to:

- a. Utilize the Licensed Processes and the Licensed Products in Drycleaning operations at the locations and in the number of Drycleaning Machines and Transfer Recovery Dryers;
- b. Use the Marks in connection with Drycleaning services furnished by Fresh Cleaners at retail at the Plant and at Dry Store locations where Drycleaning is exclusively processed using the Licensed Products and Processes.
